

# COMMUNITY TRANSPORT ASSOCIATION CONFERENCE

At the end of February Brian Worrall and Lloyd Parry attended the annual conference of the CTA, this year held in Manchester's Central Convention Complex. Lloyd was particularly excited about the train ride up as he would be travelling on a section of line he'd never seen, and both of them were looking forward to the all-you-can-eat breakfast offered at the hotel! I think neither experience was disappointing! On a serious note though, attendance at a conference like this is a great way to meet people working in similar organisations to Atwest, sharing experiences and learning from problems and successes from organisations from all over the country.

Brian and Lloyd attended a variety of workshops and talked to people on several different stands throughout the conference, picking up lots of useful leaflets and some goodies too!
