

SLINKY NEWS

NEW SLINKY FARES FROM JULY 1ST 2010

As from **July 1st** the Slinky service will have a new fare scheme (see below) which is based on mileage rather than the present zone charges.

This is being instigated by Transporting Somerset and Slinky services throughout the County will use the same fare structure.

On the same day our local Slinky service will change its name to Slinky West Somerset and part of our area of operation will change. Those users affected by the changes will be informed by letter by Transporting Somerset.

New Slinky Fares (from July 1st)

	SINGLE	RETURN
Up to 2 miles	£4	£8
2.1-5 miles	£6	£12
Over 5 miles	£9	£12

Travel for Bus/Travel Pass holders is not affected this year.
